2015 RENNSPORT REUNION POSTER DESIGN REVEALED

6/4/2015 2:49 EST FILED TO: PORSCHE CAR SHOWS BY: SEAN CRIDLAND COMMENT

We're already counting off the days till this fall's Rennsport Reunion V at Mazda Raceway Laguna Seca. But with Porsche Cars North America releasing the event poster today, our hearts are racing just a little faster in anticipation. Featuring the very first 356 entered at Le Mans along with the 1970 917 that took Porsche's first overall win at Le Sarthe in the capable hands of Hans Hermann and Richard Attwood and starring the latest iteration of the Porsche 919 that is racing in just a couple of weeks, Porsche has combined the old, the classic and the latest.

The poster is based on a painting by respected automotive artist Dennis Simon, who also did posters for previous Rennsport Reunions. All of the previous posters are collector's items and there's no reason to think this will be any different. Be sure to get yours and get in line early to have it autographed at the event.

And, if you haven't already purchased your tickets do so ASAP. Even more so, you'll want to think about where you'll be staying. If the gossip-mill is accurate, this will be the most popular of all the Rennsports and attendance is expected to be...HUGE!
